By Mrs. Evelyn Hyder

It won't be long now folks just a little over a week, then Presto!—Country Fair! Only it isn't that easy. Something as big as this will be, takes cooperation of all of us. Let's all help to make this first big money raising event of our PTA successful. Now here are a few things you can do to help! Make some candy for the candy booth, (call Mrs. Russell Hills, FR 7888), bring something to display—not to be sold, at our hobby booth, (see Mrs. Betty Matson, 229 Via Alameda, Hollywood Riviera) or give some white elephants to be sold and see Mrs. Gaul or Mrs. Pettersky.

Most important of all however, plan to come to the Fair and do have dinner there. Tickets are now on sale for the dinner. For more information call Mrs. Schmitz at FR 2263.

Booth construction starts on Thanksgiving and will be finished Friday evening. Decorating will be done Saturday morning starting at nine.

Thanks go to Mr. Jack Holms of Hollywood Riviera who is lending all the necessary lumber for the construction of the booths. He is associated with a lumber yard near here.

Walter and Betty Holloway spent the week-end at Wrightwood.

Harry and Lois Greenwood entertained last week with a birthday dinner for Harry's father, Captain Edward Livingston Greenwood. Other guests were Mrs. Greenwood Sr. and Edward L. Greenwood Jr. and his wife.

Bob and Kenny and I took a nice little trip last Friday. We went to the San Diego Zoo and took the sightseeing bus through it. There are some two hundred acres in the zoo so we covered very little of it on foot. It is really worth seeing and makes a nice little one-day trip. Kenny certainly enjoyed it. After spending the afternoon there we went on into Tijuana for dinner.

Plans for our Boy Scout troops are well on the way to being completed. Last week's meeting at Paul Murray's was quite successful in that it brought out a number of men who are willing to devote their time and energy to work with our boys.

The executives of the Wilmington District present were Messrs. Green and Smallwood. From Seaside Ranchos were George Honzig, Douglas Horne, Art Amdt, Tom McNary, Mr. Parent, Mr. Evans and two men from Hollywood Riviera, who too are interested in starting a troop in that area.

Another meeting was held Tuesday evening at St. Andrews Presbyterian church in Redondo. Executives were present as well as parents of boys of Scout age. They still need more adult help for both Cubs and Boy Scouts. Please call Paul Murray at FR 5523 if you wish to help in any way.

Scout mothers met at my home Tuesday to discuss plans for a broadcast party this Friday. They plan to attend a series of seven broadcasts during the day and evening.

Transportation into Torrance will be a lot easier starting December 4 for people in Seaside Ranchos and Hollywood Riviera. Buses will be running direct to downtown Torrance every hour and fifteen minutes from 6:45 a.m. until 6:15 p.m. The trip will only take a half hour. The old schedule will be followed after 6:15 and Sundays and holidays.

The Pomeroy's have had as guests this past week, Mr. and Mrs. H. M. White of Denver, Colo.

The people who purchased the Burton home are Bill and Betty Lou Church. They have three lovely children, Shari, Lynn, and Laurie. Three and Billie two Naves of California. Bill is associated with a market in Harbor City.

Las Vecinas meets today at 2 p.m. This is to be a closed meeting.

**Friendship Night at YW Set Tonight**

World Friendship Night at the San Pedro YWCA this evening should attract a record crowd with the outstanding program to be presented by Master of Ceremonies Richard Lafferty at 8 o'clock following the Smorgas-bord dinner to be served from 5:30 to 7:30 p.m.

An exhibit of articles from foreign countries in the Sun Room will be an added attraction and at the conclusion of the program at 9 o'clock a dance will be held in the Anderson Memorial Gym.

Mr. Lafferty will present a series of stars including piano and vocal soloists of note and dancers representing the various countries of the world.

The entire program and exhibits will all be representatives of the countries where the YWCA is carrying out its program.

Information and reservations for the dinner may be secured at the YWCA, 427 W. Ninth street, San Pedro or by calling TE 27253.

**SISTER VISITS**

Visiting at the home of Mr. and Mrs. John Robson, 25616 Cypress avenue, is her sister, Mrs. Deas Denner, who was called here from her home in Union City, Pa., by Mrs. Robson's illness.

**FLORIDA VACATIONERS**

Miss Mary Kay Kelly of 1614 Cota avenue, who is counsellor for Western Airlines at Wilton Hotel, Long Beach, leaves this week end for 10 days vacation in Miami, Fla.

**MEXICO CITY VACATIONERS**

Mr. and Mrs. William Baker Smith of Hermosa Beach and formerly of Torrance are vacationing in Mexico City.

Intermediate and Senior Girl

SOFT, RUSTLING . . . Listen to his heart lift when he sees you in this dancing dress that's as soft and rustling as a September evening. Cosmopolitan magazine's Male Jury succumbed to its romantically-whispering taffeta, gossamer-like lace and bare shoulder styling. Choose from gold, Kelly green or bronze taffeta and dapple it with black lace overshift—for about \$40.

NEW HONOR . . . Karen Ness, daughter of Mr. and Mrs. Arch Ness, 1515 El Prado, has been named president of the Harbor Area Y-Teen Inter Club Council.

**TORRANCE GIRL HEADS Y-TEEN CLUB COUNCIL**

Karen, who served as first president of the Tartar-Ys and who currently is vice president of that group, was elected at a pot luck supper and meeting of the group at the San Pedro YWCA.

Y-Teens were in attendance from San Pedro, Torrance, Wilmington, Redondo, and Lomita. Karen will preside at the December meeting of the group in Wilmington, at which time plans will be completed for a Christmas caroling program, and again in January when the council meets here.

Also a feature of the meeting was the appointment of Ellen Koehn, Torrance Teen-Timer president, and Joanne Clark of San Pedro to the mid-winter conference planning committee.

**Annual Benefit Party Plans Set By CDA Court**

Mrs. T. T. Babbitt, grand regent, presided at a regular business meeting of Court St. Catherine, Catholic Daughters of America, Monday evening at Nativity parish hall.

Mrs. P. B. Clayton was elected trustee to replace Miss Opal D. Yorker, who resigned.

**Donna Faye Is Three Now**

Donna Faye, three-year-old daughter of Dr. and Mrs. Burton L. Easley, was the center of attraction at a birthday party given by her mother Monday afternoon at the family home, 1933 Reynosa Drive. Assisting Mrs. Easley with party arrangements was Mrs. R. A. Hoag.

Sixteen children were bidden including Donna Faye's little playmates in Kettler Knolls and Diane Franzen, daughter of Dr. and Mrs. Richard Franzen of Inglewood; Johnny Ferris, son of Dr. and Mrs. John Ferris of Long Beach; and Tib and Joey Warren children of Mr. and Mrs. Harve Warren of Westwood.

Piggy banks were distributed to all the children following outdoor games and traditional birthday cake and ice cream were served from a party table gay with pink and blue appointments. Diminutive plastic baskets were the children's favors.

**PTA District To Broadcast Lectures**

Heart disease and rheumatic fever have been added to the diseases which Christmas Seal dollars help to fight in Los Angeles County.

The Los Angeles County Tuberculosis and Health Association is one of the 3,000 affiliates of the National Tuberculosis Association. It is responsible for the local fight against tuberculosis, heart disease and rheumatic fever.

**Junior Red Cross, College Activities Are Consolidated**

Consolidation of the college activities and Junior Red Cross departments of the Los Angeles chapter, effective in October, was announced this week by Chapter Manager Bowen McCoy.

The consolidated department will be known as "school and college activities", the announcement stated. John H. Martin was named to serve as director of the new division. He formerly served as head of the Junior Red Cross here.

Martin will be assisted by the following Red Cross field representatives: Mrs. Creston DeMoss, Mrs. Barbara Williams, Mrs. Betty McCabe and Miss Jeanne Nesbit.

Along with the Lord's Prayer and the Declaration of Independence, every child's heart should early possess: "To have and to hold; for richer, for poorer, in sickness and in health; to love and to cherish; till death us do part."
